

Jori Turki Shaldoum

Email: Jm3mej@gmail.com, Phone: [+966568679676](tel:+966568679676), Location: Saudi Arabia, Makkah, Nationality: Saudi

Objective:

Aspiring software engineer and UI/UX designer seeking an opportunity to apply my skills in user-centered design, front-end development, and AI integration within a dynamic tech-driven environment. Eager to contribute to innovative projects that enhance user experiences, accessibility, and performance, while gaining hands-on experience and growing professionally in the fields of software development and human-computer interaction.

Education:

Bachelor's Degree of Software Engineering in **Human-Computer Interaction (HCI)**, Umm Al-Qura University – Makkah, Saudi Arabia.

✓ Expected Graduated: 2027

Projects:

University Services Platform – Umm Al-Qura University | 2025 – Present

Role: Full-Stack Developer

- Developing a comprehensive platform that compiles information on university facilities, cafés, and student services.
- Building and continuously enhancing features to improve accessibility and overall student experience.

Hajj & Umrah Mobile Application | 2025 – Present

Role: Mobile App Developer & UI Designer

- Designing and developing a mobile application to guide pilgrims with navigation, rituals, and essential services.
- Creating a user-friendly and accessible interface tailored to diverse user needs.

SafePath – Navigation App for Visually Impaired | 2025

Role: Lead Developer & UI Designer

- Built a mobile app prototype with voice guidance and obstacle detection using Agile methodology.
- Designed accessible high-contrast UI with [e.g., GPS APIs, Swift].

Perfect Trip – Travel Planning App | 2025

Role: UX/UI Designer

- Designed a travel booking app with personalized suggestions and Apple Pay integration using Figma.
- Applied persuasive design to enhance user engagement.

Booking App Prototype | 2025

Role: UI/UX Designer

- Created a Figma-based mobile interface with onboarding and booking flow for seamless user experience.

Drink Up – Beverage App | 2025

Role: UI Designer

- Designed a Figma UI for a beverage store with sign-up flow and weekly recommendations.

Professional Development:

Courses & Certificates:

- **Google UX Design Professional Certificate** – Coursera, 2025
- **Fundamentals of Artificial Intelligence** – SDAIA, 2025
- **Advanced AI Concepts & Applications** – SDAIA, 2025
- **Deep Learning with Python (PyTorch)** – Tuwaiq Academy, 2025
- **Power BI (Basic + Advanced 103)** – Wasm & Satr, 2025
- **Network Security 102** – Satr, 2025

- **Linux Track** – Satr, 2025
- **Full-Stack Python Track** – Satr, 2025
- **Flutter Application Development Track** – Satr, 2025
- **Cybersecurity Threats, Vulnerabilities, and Attacks** – Satr, 2025
- **Power BI (Data Visualization)** – Satr Platform, 2025
- **Cybersecurity Fundamentals** – Wasm, 2024
- **English Language Diploma** – Wall Street English (Afaneen Institute), 2022

Hackathons & Activities:

- **Leagues & Technical Tracks Participant** – Satr Platform, 2025
- **Participant – Absher Tuwaiq Hackathon** | December 11, 2025

Skills:

Hard skills:

- Data Analysis (Excel, Power BI)
- Web Dev (HTML, CSS, JS, MySQL)
- Cybersecurity, Network Security, Linux
- Responsive Web Design
- Agile, Scrum, Project Management

Soft skills:

- Communication Skills
- Critical Thinking
- Team Collaboration
- Attention to Detail
- Time Management

Languages:

. Arabic

. English
